Modular Announces New Belo Horizonte Office

Tucson, Arizona – November 30, 2007

Modular Mining Systems, the market leader in powerful information management solutions for mining operations worldwide, announces the opening of a new service office in Belo Horizonte. The new location is located in the Funcionários neighborhood at 929 Rua Fernandes Tourinho, Suite 1002.

This office will function as a base for our Brazilian service activities, expanding expertise in mine services, training, consulting, and sales.

“The decision to open this office came in response to an ever growing need for value added services from our current and prospective customers. Belo Horizonte is an important center for mining and this new office will help us better serve the Brazilian mining market,” said Michael Lewis, General Manager of Modular Brazil. Modular has been working with customers in Brazil since 1994 and maintains a support, software development, and administrative office in Recife.

About Modular Mining Systems, Inc.

Modular is the market leader in providing powerful information management solutions to meet the needs of both open pit and underground mining operations worldwide.
