## **Modular appoints new General Manager, Latin America**

**Tucson, Arizona – May 12, 2009**

Modular Mining Systems, Inc., the leader in powerful information management solutions for mining operations worldwide, announces the appointment of Carlos Carmona to the position of General Manager, Latin America. Carlos previously served as Manager, Customer Services in Latin America after a career working in various roles within the Chilean mining industry.

“Carlos brings considerable experience in the mining industry and has developed deep first-hand knowledge of the Latin American market,” said Peter Carter, Modular President and CEO. “His success as Manager, Customer Services for Latin America has given him strong understanding of the customers’ needs in the region, and has positioned him well for his new position as General Manager.”

### **About Modular Mining Systems, Inc.**

Modular is the market leader in providing powerful information management solutions to meet the needs of both open pit and underground mining operations worldwide. Modular sales and support offices are located in all key world-mining markets. For more information, visit the Modular website at <http://www.modularmining.com>.
