Modular appoints new General Manager, North America

Tucson, Arizona – May 12, 2009

Modular Mining Systems, Inc., the leader in powerful information management solutions for mining operations worldwide, announces the appointment of Sagar Chandra to the position of General Manager, North America. Chandra previously served as Vice President, Marketing.

“Sagar’s recent marketing experience developing the next generation products, and his first hand knowledge of our customers’ business needs, position him to create superior value for his customers in North America,” said Peter Carter, Modular President and CEO.

About Modular Mining Systems, Inc.

Modular is the market leader in providing powerful information management solutions to meet the needs of both open pit and underground mining operations worldwide. Modular sales and support offices are located in all key world-mining markets. For more information, visit the Modular website at <http://www.modularmining.com>.
