Modular Names New Vice President, Sales and Marketing

Tucson, Arizona – May 12, 2009

Modular Mining Systems, Inc., the market leader in powerful information management solutions for mining operations worldwide, announces the appointment of Michael Lewis to the position of Vice President, Sales and Marketing. The Sales and Marketing division is focused on providing mining solutions for operations, engineering, and maintenance through commercialization and sale of innovative products. Lewis has served Modular in previous positions including Manager, Mine Services, and most recently General Manager, Brazil.

“Michael brings a strong understanding of customer needs in the areas of mine operations, engineering, and maintenance to this key role,” says Peter Carter, President and CEO, “and will execute tactical advancements to areas such as product management, sales, strategy, and policy development.”

About Modular Mining Systems, Inc.

Modular is the market leader in providing powerful information management solutions to meet the needs of both open pit and underground mining operations worldwide. Modular sales and support offices are located in all key world-mining markets. For more information, visit the Modular website at <http://www.modularmining.com>.
